RE: Discontinuation of model #400537 Torre Classic Steel Soap Dispenser

Dear valued BLANCO Customers,

Effective immediately, BLANCO has discontinued the #400537 Torre Classic Steel Soap Dispenser due to color issues with the finish and instead offer a replacement that is a closer match to our portfolio of Classic Steel faucets.

BLANCO model **#402672 Torre in PVD Steel is the recommended replacement**. We have added a picture below as a reference for how well the #402672 Torre in PVD Steel works with our faucet portfolio in Classic Steel.

For all existing orders model # 400537 will be cancelled, and an updated confirmation will be sent shortly.

If you wish to re-order the 402672 please submit a new purchase order to orders@blancoamerica.com in the US or orders@blancocanada.com in Canada .

For any additional questions please contact us at customerservice@blancoamerica.com in the US or info@blancocanada.com in Canada.

Thank you,
