ARTESSO[®]
KITCHEN COLLECTION

BRIZO[®]

AN INDUSTRIAL *EVOLUTION*

The artisan tradition has never been more alluring. Tracing its visual inspiration to factories of the early 20th century, the Artesso® Kitchen Collection by Brizo® is a warmer, more refined take on the industrial aesthetic.

INSPIRATION DESIGN & *CRAFTSMANSHIP*

*Evoking the detailed, hand-forged sentiments of early
20th century metalworkers, the name is a variation of the
Portuguese word for artisan.*

*Every nuance displays a meticulous attention to
detail—from the deliberately proportioned silhouettes
to the tactile appeal of the handles.*

INNOVATIONS

THE ARTESSO® KITCHEN COLLECTION OFFERS
A MULTITUDE OF ADVANCED TECHNOLOGIES.

*Optional SmartTouch® Technology on the Pull-Down and Pull-Down
Prep Faucets activates water flow with a simple tap. Integrated TempID®
Technology indicates temperature with an LED light that changes color
from blue to red as the water warms.*

*MagneDock® Technology locks the spray wand on the Pull-Down and
Pull-Down Prep Faucets securely back into place after every use for
a clean, seamless look.*

LUXURY WITH A *CONSCIENCE*

All Brizo® products are packaged using recycled and recyclable materials.

Additionally, in the Artesso® Kitchen Collection:

- *All faucets comply with national drinking water legislation*
- *All faucets feature a 1.8 gpm max flow rate, compared to the industry standard of 2.2 gpm (ASME.A112.18.1/CSA.B125.1)*
- *All faucets are ADA-compliant*
